How we use Cookies on this site

BDBroadcast.co.uk Cookies Policy. Please read the following carefully and ensure that you take the correct action. By using our site you have agreed to comply with this policy. If you do not agree to this Cookies policy then you should stop using this site immediately.

Introduction

- Our website uses cookies.
 - We will ask you to consent to our use of cookies in accordance with the terms of this policy when you first visit our website. By using our website and agreeing to this policy, you consent to our use of cookies in accordance with the terms of this policy.

About cookies

- A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.
 - Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed.
 - Cookies do not typically contain any information that personally identifies a user, but personal information that we store about you may be linked to the information stored in and obtained from cookies.
 - Cookies can be used by web servers to identify and track users as they navigate different pages on a website and identify users returning to a website.

Our cookies

- We use both session and persistent cookies on our website.
 - The names of the cookies that we use on our website, and the purposes for which they are used, are set out below:
 - (a) We use authentication cookies to recognise a computer when a user visits our website, improve the website's usability, administer the website, personalise the website for each user, and validate authenticated users sessions. The names of the cookies used for this purpose are set_auth, clear_auth and auth_redirect.

Analytics cookies

- We use Google Analytics to analyse the use of our website.
 - Our analytics service provider generates statistical and other information about website use by means of cookies.
 - The analytics cookies used by our website have the following names: [_ga, _gat, __utma, __utmt, __utmb, __utmc, __utmz and __utmv].
 - The information generated relating to our website is used to create reports about the use of our website.
 - Our analytics service provider's privacy policy is available at: <http://www.google.com/policies/privacy/>.

Third party cookies

- Our website also uses third party cookies.
 - To determine your interests, Google will track your behaviour on our website and on other websites across the web using the DoubleClick cookie. This behaviour tracking allows Google to tailor the advertisements you see on other websites to reflect your interests (we do not publish interest-based advertisements on this website). You can view, delete or add interest categories associated with your browser by visiting: <http://www.google.com/settings/ads/>. You can also opt out of the AdSense partner network cookie using those settings or using the NAI's (Network Advertising Initiative's) multi-cookie opt-out mechanism at: <http://www.networkadvertising.org/choices/>. However, these opt-out mechanisms themselves use cookies, and if you clear the cookies from your browser your opt-out will not be maintained. To ensure that an opt-out is maintained in respect of a particular browser, you may wish to consider using the Google browser plug-in available at: <https://www.google.com/settings/ads/plugin>.
 - Details of the third party cookies used by our website are set out below:

- (a) r/collect .
This a pixel based session cookie and fulfills the purpose outlined above.

Blocking cookies

- Most browsers allow you to refuse to accept cookies; for example:
 - (a) in Internet Explorer (version 11) you can block cookies using the cookie handling override settings available by clicking "Tools", "Internet Options", "Privacy" and then "Advanced";
 - (b) in Firefox (version 47) you can block all cookies by clicking "Tools", "Options", "Privacy", selecting "Use custom settings for history" from the drop-down menu, and unticking "Accept cookies from sites"; and
 - (c) in Chrome (version 52), you can block all cookies by accessing the "Customise and control" menu, and clicking "Settings", "Show advanced settings" and "Content settings", and then selecting "Block sites from setting any data" under the "Cookies" heading.
 - Blocking all cookies will have a negative impact upon the usability of many websites.
 - If you block cookies, you will not be able to use all the features on our website.

Deleting cookies

- You can delete cookies already stored on your computer; for example:
 - (a) in Internet Explorer (version 11), you must manually delete cookie files (you can find instructions for doing so at <http://windows.microsoft.com/en-gb/internet-explorer/delete-manage-cookies#ie=ie-11>);
 - (b) in Firefox (version 47), you can delete cookies by clicking "Tools", "Options" and "Privacy", then selecting "Use custom settings for history" from the drop-down menu, clicking "Show Cookies", and then clicking "Remove All Cookies"; and
 - (c) in Chrome (version 52), you can delete all cookies by accessing the "Customise and control" menu, and clicking "Settings", "Show advanced settings" and "Clear browsing data", and then selecting "Cookies and other site and plug-in data" before clicking "Clear browsing data".
 - Deleting cookies will have a negative impact on the usability of many websites.
